

Solutions for Insurers and Related Businesses

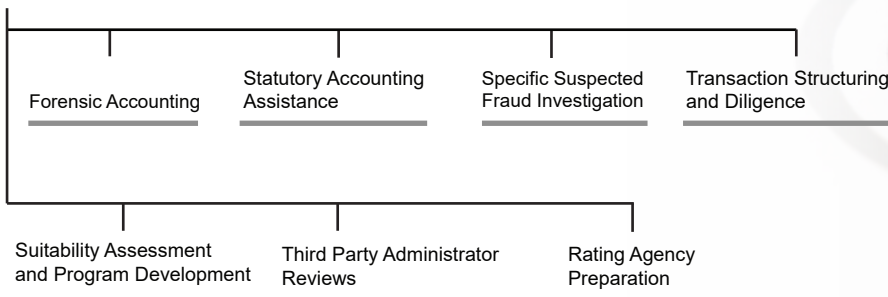

Ingardus provides executive resources and operational offerings to your insurance company or your insurance-related business. Depending on the size of your company or stage of your business, you may not have all the **experience** or **strength** you need to achieve a specific goal. Ingardus can provide you with the resources needed to support your strategic objectives.

Ingardus provides a wide range of assistance either on a short- or long-term basis. We specialize in complex situations. We listen and we act accordingly, solving the most difficult puzzles efficiently.

Executive Resources

Operational Offerings

Ingardus provides professional, effective and efficient resources for your business' executive and operational requirements.
